Subject: DSL status for Makrolon and Vivak Sheet products

In response to your request, please be advised that Makrolon and Vivak sheet products are not subject to the *New Substances Notification Regulations* under the Canadian Environmental Protection Act (CEPA) and are therefore excluded from notification. *Please refer to the portion of the Act dealing with substances and Activities New to Canada (section 80 to 89 of the Act) limitations on the statutory definition of "substance" are stated under section 3 of the Act.*

We hope you find this information useful. If we may be of any further assistance, please feel free to contact us. Thank you for your interest in our products.

Sincerely,

A handwritten signature in cursive script that reads "Nancy Wason".

Nancy Wason,
Manager, Health Environment & Safety
