Sheffield Plastics appoints new sales manager for North Atlantic territory

Sheffield MA., June 29, 2009— Sheffield Plastics, a Bayer MaterialScience LLC Business, has announced David D'Anna joins Sheffield Plastics as Territory Sales Manager for the company's North Atlantic territory, effective May 26, 2009. In his new capacity, he will work with Sheffield's distributors to develop business in New England, New York, New Jersey, Maryland and portions of Pennsylvania, and will report to Jeff Hester as part of Sheffield's Eastern Regional Sales Team.

David brings to his new position over 12 years' experience in plastics sales, primarily with Co-ex Corporation, a manufacturer of specialty polycarbonate sheet products used in the building and construction industry. In that role, he worked extensively with distributors, architects and contractors to develop new applications for his company's products in the New England area where he was based.

He will be contacting his distribution partners in his territory and also working in Sheffield's headquarters for thorough training in the company's products and sales and marketing initiatives over the next few weeks prior to taking over the sales territory full time.

David, his wife Kelly and their three children reside in Connecticut, where David will maintain his field office. He can be reached directly at 1-860-335-4944 and via email at david.d'anna@bayerbms.com

Bayer MaterialScience LLC is one of the leading producers of polymers and high-performance plastics in North America and is part of the global Bayer MaterialScience business with nearly 15,100 employees at 30 sites around the world and 2008 sales of 9.7 billion euros. Business activities are focused on the manufacture of high-tech polymer materials and the development of innovative solutions for products used in many areas of daily life. The main segments served are the automotive, electrical and electronics, construction, medical, and sports and leisure industries.
